Back to school!

Announcements:

- Remember to send your child's tote bag and washed water bottle back to school every Monday!
- The Shaarei Chinuch Parent Club, Snack Program and Parsha questions will all begin after Succos.
- If your child takes the bus, please make sure to join the "Bus Updates SCDS" Whatsapp group. If you need help joining, please reach out to the front office.
- The Shaarei Chinuch App is still active! Please use the app to order hot lunch, submit the absence/late form, and use the give/get tracker throughout the year.
- If your child takes the bus, please scan this QR code to send the school important information about your child's stop.
- Please complete this survey to let us know what Give/Get opportunities you would be interested in.

Thank You To...

Opening day: Devorah Wrightman for making the beautiful balloon display, and Adi Amram for making the adorable keychain giveaways.

Yael Erlich for helping with Rosh Hashana donor gifts.

A Note From Our Directors:

Dear Shaarei Chinuch Families,

It's finally here! The new year in our new home!!! As we begin this new school year, we are filled with gratitude and excitement for all that lies ahead.

This year marks an especially meaningful beginning for our school as we settle into our new home in Skokie. We are incredibly grateful for the shared commitment that made this move possible. From the families who have joined us in this journey to the dedicated staff who have made the move alongside us, we feel so privileged to have such committed members of our Shaarei Chinuch community.

We are excited for the stability, the room to grow and the prospect of building our school here for years to come. We look forward to creating a strong foundation for our students and continuing to expand our programs and opportunities.

We are also thrilled to welcome new families and children into our Shaarei Chinuch family this year. Each person brings something unique to our school community, and we are looking forward to building a strong connection with each and every child in our care, supporting each one on their individual learning journey.

May this new year bring it new opportunities for growth, learning and success. May we all have a year filled with family, friends, health, prosperity and love. May this year bring with it all the good we pray for. May Hashem bless us all with success in all aspects of our lives.

Here's to a year of new beginnings, meaningful growth, and a continued love of learning.

שנה טובה ומתוקה לכולנו!

With love and gratitude,

~Mushky Kulek
